

RECORD OF WORKS CARRIED OUT BY TERRY GRIFFITHS CONTRACTS

PARISH COUNCIL	Madley Pariah council
ACCOUNT	Roads-specific task.
MONTH	March 2017 (3).
INVOICE NO.	TGC2039

Description of work carried out:-

Specific Task Work.

Shenmoor Court area.

Main outfall pipe for linked drainage system on the C1193 linking up to the drainage system main drain on the C1195.

Remove objects blocking pipe and flush jet clear.

Notes.

This task was distressing and unpleasant for our team as until we cleared the drainage system on the C1193 this pipe was not in use and had become part of a wild life highway.

Regretfully when the drainage system became live this pipe became flooded several the animals perished and their remains caused a blockage in a junction chamber which our team were obliged to deal with.
