PARISH COUNCIL	Madley Parish Council.
ACCOUNT	Roads-special task.
MONTH	October 2016 (2).
INVOICE NO.	TGC1891

Description of work carried out:-

Follow up investigative work at reported pollution site to prepare report for logging with environmental Agency.

Logged with Environmental incident room 10.30am 28-10-16log number1481301.

Work carried out.

C1196.

Near junction with B4352.

Jet suspect outlet pipe back to chambers and inspection pits at new development site.

Mark all pits with green marker.

Confirmed that raw untreated domestic sewerage is being discharged directly into a roadside ditch which leads to a watercourse.

Two of the houses are occupied and as we are not authorised to enter properties we could not confirm which property was the source of the discharge.

Pollution report logged with local EA office as above.
